

SERVIZIO DI TARATURA IN ITALIA

ITALIAN CALIBRATION SERVICE

ATTESTATION OF ACCREDITATION

Calibration Centre n. 066

The Responsible of the SIT Central Secretariat attests that the metrological laboratory belonging to the company

HEXAGON METROLOGY S.p.A.
Site: Strada del Portone, 113
10095 GRUGLIASCO (TO)

is accredited as SIT Calibration Centre for the quantities, measurement ranges and uncertainties reported in the table attached to the accreditation certificate. The accredited Laboratory is in compliance with the requirements of the international Standard UNI CEI EN ISO/IEC 17025:2005.

This attestation is valid from the 1st of July 2006 up to the 30th of June 2010.

Torino, 11th of September 2006

The Responsible of the SIT Central Secretariat

(Dott. Ing. M. Mosca)
